Leave or arrive on the dates to be found at the principal business concerns.

### PATENTS

Carriage and Trade-Marks obtained, and all Patent Business conducted for Moderate Fees. Our office is at the corner of U. S. Patent Office. We have to sub-agencies, all business direct, hence can transact patent business in less time and at less cost than those remote from Washington.

Send model, drawing, or photo, with description. We advise if patentable or not, free of charge. Our fee for one full patent is secured. A book, "How to Obtain Patents," with references to actual cases in your State, county, or town, sent free. Address,

**C. A. SNOW & CO.**  
Opposite Patent Office, Washington, D. C.

**ESTABLISHED PATENTS**  
After forty years' experience in the preparation of more than One Hundred Thousand applications for patents in the United States and Foreign countries, the publishers of the Scientific American continue to act as solicitors for patents, caveats, trade-marks, copyrights, etc., for the United States, and to obtain patents in Canada, England, France, Germany, and all other countries. Their experience is unequalled and their facilities are unsurpassed.  
Drawings and specifications prepared and filed at the Patent Office on short notice. Terms very reasonable. No charge for examination of models.  
Patents obtained through Mann & Co. are noted in the SCIENTIFIC AMERICAN, which has the largest circulation and is the most influential newspaper of the kind published in the world. The advantages of such a notice every patentee understands.  
This large and splendidly illustrated newspaper published WEEKLY at \$1.00 a year, and is entitled to be the best paper devoted to science, mechanics, inventions, engineering works, and the departments of industrial progress, published in any country. It is essential to the success of inventors and those of every invention patented. Try it four months for one dollar.  
We have an inventory of patent rights in the U. S. Patent Office of Scientific American.
